POLICY

The MCHSL CHL website provides customers with access to accurate, timely, relevant and unbiased consumer health information resources.

The contents of the website and links to external sites are evaluated by MCHSL Library Staff for reliability, accuracy and validity.

1. MCHSL staff members are responsible for selecting MCHSL CHL website resources and other third party linked resources directly from the MCHSL CHL website.

2. The content of the MCHSL CHL website and links to external sites are evaluated by MCHSI Library Staff.

3. MCHSL does not accept liability for the information contained on third party websites.

4. Resources and information on third party websites does not necessarily reflect the Mission Values of the Mount Carmel Health System.

5. The MCHSL Technology Specialist is responsible for ensuring the functionality of the links, forms, etc. and the overall usability of the MCHSL CHL website.

Disclaimer:

MCHSL CHL information provided in-person or accessible through MCHSL CHL website is not an attempt to provide medical advice or professional healthcare services. Information is provided to adults for educational purposes only and it is not a substitute for professional medical care or advice. We recommend customers consult their professional health care providers if they have or are concerned about any health problem or have need for any information regarding diagnosis or treatment.
