E-Journals

The Library provides access to e-journals through CINAHL Plus with Full Text. Follow the instructions on the e-journals page to view a complete list of titles available through CINAHL.
Evidence-Based Practice

The EBP tab will take you to a specialized guide on evidence-based practice which includes a self-guided tutorial on the EBP process, as well as selected resources for PICO, levels of evidence, and appraisal tools.
The Education page includes links to selected resources for patient education and evaluation of information, as well as a brief explanation of copyright in the Library. If there are additional topics you would like to see covered, please submit a Feedback Form with your suggestion.
Contact the Library

You can contact your Library by phone or email Mon – Fri 7AM – 4PM CST.

Online request forms can be submitted anytime and will be received and followed-up on the next business day.

The Ask Us Now! Box appears on every page of the website and connects you to a live online chat with a librarian.

M-F 8AM – 5PM CST
Feedback

Use the Feedback form to send us your questions, comments, and suggestions
