Welcome to the Mount Carmel Health Sciences Library (MCHSL) online orientation!

Take a few minutes to familiarize yourself and learn about all that MCHSL has to offer. After taking this orientation, you will have a clear sense of how your library works and what we are offering you to meet your scholarly and professional informational needs and expectations.

We are here to assist, help and guide you through the world of information. You are our most important and valued customer!

About the Library

- Our physical library is located on the [Mount Carmel West (MCW) campus](#) with two smaller, unstaffed libraries located on [Mount Carmel East (MCE)](#) and [Mount Carmel St. Ann’s (MCSA)](#) campuses.
  - All physician residents should have 24/7 badge access to the MCW Library.
  - For MCE and MCSA libraries, contact security located at each site for library access to be added to your badge.

- We provide access to electronic resources such as databases, eBooks, eJournals, program guides, and more through the Library Website: [https://library.mchs.com](https://library.mchs.com)

- Professional library staff are available to assist residents accessing and searching library resources Mondays-Fridays 8:00am-5:00pm Eastern Standard Time (EST).
Your Library Liaisons

- Your Library Liaison is Liz Lyman.

- Contact her with any questions about accessing and searching library resources.

- Liz is available Mondays-Fridays from 8:00am-5:00pm EST through phone, email, in-person, and library chat.

- To schedule a time to talk with Liz, submit the form: Touch Base With Your Librarian!

- Any questions or requests received after 5pm EST will be answered the following business day.

- Login using “Off Campus Login,” which is linked at top of every page.
- All Physician Residents have library accounts that are automatically created in June each year.
  - Login using LAST NAME and D Number (dictation number) as Password.
  - If account doesn’t work, contact the library to renew your account.
- The Library Website is mobile-friendly.
Library Website

From the Library Website, go to the “Physicians” portal to gain access to all library resources relevant to the GME programs.
The following slides will highlight key parts of the Physician Resources page.
Login with LAST NAME and D Number as Password.

Request articles or help with literature searches.
Search databases for scholarly articles and education tools. Click on the icons to learn how to search each database.

Click on PubMed from Library Website to sync up the library’s subscriptions with PubMed records.
Click on the relevant library guide for resources specific to your program.
• Physician Residents can borrow items from OPAL (Ohio Private Academic Libraries) and OhioLINK (Ohio Library Information Network).
  • To look up items available, go to the [OPAL Catalog](#) or [OhioLINK Catalog](#).
  • Residents who work at a Mount Carmel location other than West can have items delivered through interoffice mail. For details, read [Library On Demand](#).
Access to Full Text Articles

- MCHSL provides access to hundreds electronic journals and articles.

- When searching for the full-text of articles, NEVER PAY for access.

- Access the full-text through several different resources:
  - Search by article citation:
    - Full-Text Finder
    - BrowZine
  - Within a database:
    - MCHSL Access (icon that appears in PubMed)
    - PDF Full Text, Full-Text Finder (EBSCO databases, Clinical Key)
